Re: 2010 Post General Report (10/14/10 11/22/10)

To Whom It May Concern:

Our Committee is in receipt of the Commission's letter regarding the above referenced report. Please see below for our complete response. If you need any additional information, please do not hesitate to contact us.

It is the understanding of the committee that there is currently an issue with the FEC viewer software that is affecting the 2010 Post General Report. A full amendment has been filed with the corrections to the Column B figures for the Summary and Detailed Summary Pages. However, because of the viewer issue lines 6-10 are not appearing correctly on the pdf version of the file. The figures reported on txt version are the correct figures for these lines. At such a time when the FEC viewer issue has been resolved another amended report will be filed to ensure the pdf views correctly.

In 2008, our campaign had a Primary election and a Primary Runoff Election in addition to the General Election. Due to a technical glitch, the outstanding loans for the 2008 Primary and 2008 Primary Run Off were indistinguishable on the 2010 Post General report. The full amended report shows the correct outstanding loans which are: \$250,000 for 2008 Primary, \$250,000 for 2008 Primary Runoff, and \$75,500 for the 2008 General. Subsequent reports were originally filed correctly.

We trust this response is sufficient and this completes the public record. Thank you for the opportunity to respond.

Sincerely,  
Fleming for Congress
